Classes available

5–8 Year Olds Circus Fun

An introduction to the circus through a safe and fun environment.
Skills include elementary tumbling and body movement, balance and co-ordination skills,
human pyramids and partner work.
Great for confidence building, just awesome fun!

General Circus 8 Yrs and Above

A more challenging and advanced program than the 5-8 class.
It covers all aspects of the circus from flexibility, tumbling, manipulation, unicycles,
aerial skills and human pyramids.
Open to the older kids, an ideal introduction to a range of skills.

Flying Trapeze One - Day Class

The ideal opportunity to fly.
Open to all ages. Conquer your fears and experience the thrill of flying through the air on
the high trapeze. All classes use safety lines with the safety net below so come and give
it a go.
The only Flying Trapeze available in Western Australia!

Specialty Classes

Choose from a range of specialty classes (See timetable- marked with an *).
For those who have already experienced some form of circus and know what they want
to learn.
Open to all ages, spaces are limited so get in quick.

Unlimited

Choose from the whole range of circus activities.
This program is designed to cover all aspects of circus training.
Guaranteed to improve all areas of flexibility, fitness and strength.
Definitely for the keen and active. A week to remember, to make new friends, to feel on
top of the world!
